

## EaseTrack (Embedded Application Software for GenTrack)

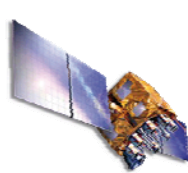

**EaseTrack** is a software application available on the **GenTrack AOB family** (GenTrack 23e AOB, GenTrack 35e AOB) developed with **EGM (Ercogen & Gener Middleware)** software tools.

The aim of **EaseTrack** is to provide a plug-and-play solution with automatic management of GSM/GPRS and GPS functions for tracking solutions. This application does not require a license and is supplied free of charge by ERCO&GENER.

## GenTrack + EaseTrack >>> People and goods security

### Jobs :

- ▶ Lone worker
- ▶ Dependent person
- ▶ Guarding
- ▶ Goods security

### Benefits :

- ▶ Real-time Positioning
- ▶ GPS fast acquisition
- ▶ Securisation

### Application Examples :

- ▶ Map location
- ▶ Auto-transmission of position every X minutes.
- ▶ GeoFencing
- ▶ Historical log of positions
- ▶ Alarm when loss of verticality / fall detection

ERCO & GENER SA may at any time and without notice make changes and improvements to the products and services offered

# EaseTrack Functions

## Tracking mode

- Programmable cyclic wake-up
- Movement or shock detection
- GPS acquisition
- Send position by SMS, GPRS TCP/IP

## Multi-zones Geofencing

- Up to 30 zones
- Set-up of an independent radius for each zone
- SMS and/or TCP alert for zone entry/exit

## DATI mode

- Alarm trigger upon loss of verticality or absence of movement (3 axis accelerometer)
- Automatic Emergency call
- Manual Emergency or phone call
- Activation / deactivation of the device
- SMS or Voice multi-destination numbers

## GenTrack Config:

- Windows configuration software
- Simple executable file, no installation
- Profile back up
- Geofencing zones definition
- A-GPS files update
- EaseTrack application update
- GPS position log display

## Data transmission via GPRS TCP/IP

- Standard format or Deveryware GIFT format
- With or without acknowledge from the server
- Device reconfiguration by server

## Energy Management

- Very low power mode between 2 wake-up cycles
- SMS alert when low battery level (GenTrack 23e AOB only)
- Device locked and visual alert when battery very low (GenTrack 23e AOB only)

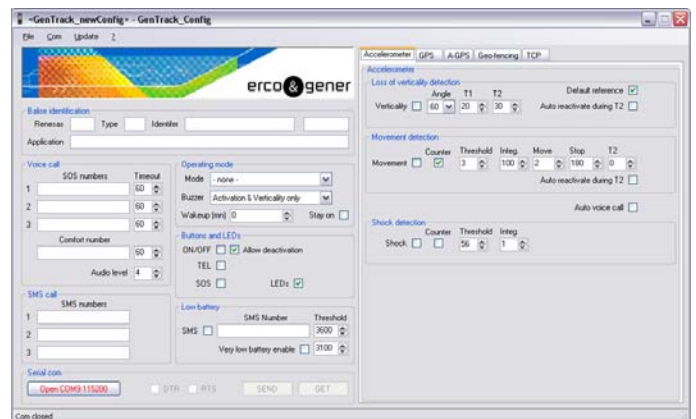

## A-GPS Functions

- GPS signal fast Acquisition
- Download of satellite almanac Data via GenTrack Config
- Automatic update via GPRS

## Remote setting via SMS

- Request of position via SMS

## Permanent GSM mode "Stay On"

## EaseTrack is available on AOB (Application On Board) products

GenTrack 23e AOB

GenTrack 35e AOB
